EXPERIENCE

JUN 2017 – PRESENT

CSR, EXTENSYA

Customer service representative with confident voice tone, multi – task working on three skills, excellent skills in convincing the customers and earning their trust. I am dealing with English speaking customers at most.

SEP 2016 – PRESENT

WEB DEVELOPER, FREELANCE

Working as a freelancer web developer is my best chance to keep up with new developments in my specialty, below are some of my projects:

- Radaar News Website (www.radaarnews.com).
- Cupra care Website (www.cupracare.com).
- Online markets websites (www.jsofts.com).

MAR 2016 – SEP 2016

WEB DEVELOPER, EMUMTAZ COMPANY

Developed many websites with Emumtaz team in addition to the company's website.

EDUCATION

2007 - 2014

COMPUTER INFORMATION SYSTEMS, YARMOUK UNIVERSITY

Bachelor's degree in CIS.

Worked on many projects during this period, within groups and used to lead and guide my colleagues.
